

2022 NUTRIEN SUPREME TOOWOOMBA

Nutrien Ag Solutions Limited (ACN 008 743 217) Terms and Conditions

1. The standard Australian Livestock & Property Agents Association Ltd (ALPA) terms and conditions for livestock sale apply to livestock sales made at the Nutrien Supreme Horse Sale. A copy of the ALPA terms and conditions will be available at the Nutrien Ag Solutions Toowoomba branch and at the Nutrien Supreme Horse Sale.
2. All horses offered for sale at the Nutrien Supreme Horse Sale must be either a registered Australian Stock Horse or a registered Australian Quarter Horse or registered with the Equine Performance Registry of Australia. ASB (Breeding purposes only) broodmares are eligible for the sale provided they are accompanied with a current veterinary pregnancy test certificate, dated not more than 45 days prior to the sale. **Pregnancy Test Certificates & Breeding Certificate must be sent to the Nutrien Ag Solutions Toowoomba Branch prior to sale.** No foal recorded horses will be accepted. Any horses accepted as a colt cannot be sold as a gelding. Horses must be registered prior to nominating for sale. If the horse's registration has not been finalised by the close of nominations, the selling agents cannot accept the entry form.
3. **Original** registration papers and signed transfers are required when presenting horses for inspection. Nominations will not be accepted unless accompanied by the entry fee (Ridden Horses \$550 inc GST per horse, Yearlings & Broodmares \$440 inc GST per horse). Nomination forms without a vendors signature cannot be accepted. Nominations will close on Friday, 11th February 2022. A copy of the horse's registration papers must accompany the nomination form.
4. Any horse sold at a Nutrien Supreme Horse Sale that is then sold on by any means other than at a Nutrien Supreme Horse Sale will not be eligible to compete in a Challenge or Campdraft event at the Nutrien Supreme Horse Sale.
5. The owner is responsible for checking that the information on the horse's registration certificate is correct at the time of nomination, i.e. sex, colour, brands, markings etc. Owners are advised to review the relevant Society's (i.e. Australian Quarter Horse Association (AQHA) or Australian Stock Horse Society (ASHS)) regulations relating to Horse Identification obtainable from the relevant Society, in particular the verification of brands and markings policies. A horse will be rejected from the Nutrien Supreme Horse Sale under the relevant identification Regulations which AQHA & ASHS carry due to brand or significant marking discrepancy. Horses must be presented to the satisfaction of an appointed Nutrien Supreme Horse Sale Inspector and may be vet checked prior to sale commencement. The inspectors may reject a horse from the sale if the horse does not comply with the following conditions:
 - a) Markings and brands described on the horse's registration papers MUST be clearly visible and identical to the horse presented at inspection;
 - b) The horse should be presented suitably for the sale; and
 - c) The horse should be free of undesirable characteristics and conformation faults (as per AQHA & ASHS Regulations (obtainable from the relevant Society)) e.g., weaver, windsuckers etc.
 - d) Nutrien Ag Solutions reserves the right to reject any horse that it does not believe suitable for sale at the Nutrien Supreme Horse Sale.
 - e) If after taking into account market conditions, Nutrien Ag Solutions is of the opinion that too many animals have been nominated, vendors will be invited to review their entries.

This applies from the day the lot is catalogued to 10 days after the advertised Sale date, whether the sale takes place at auction or by private treaty. All accepted nominations must be presented through the Sale ring.
8. Any person involved with handling the horse on the day of the sale, within the perimeter of the grounds: i.e. strapper, handler, trainer, rider and the like does so at their own risk.
